5011 3/10/2014

Exporting Per AOD#008294/1E/13, Expires March 7, 2014

Waste Minimization: The hazardous wastes generated and exported by the site were the result of management of contaminated debris during the course of a building renovation. The waste generation from this site is not routine and therefore no active waste minimization efforts to reduce toxicity or volume have been achieved.

Certification:

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate and complete. I am aware that there are significant penalties for submitting false information including the possibility of fine and imprisonment.
